Welcome!

My name is **Gerhard Radosztics**, I am living in Austria and I am a chess collector for many years. In the beginning I collected all stuff related to chess, especially stamps, first day covers, postmarks, postcards, phonecards, posters and autographs.

In the last years I have specialised in

Old chess **postcards** (click on card)

Chess **autographs**

On the next pages you can see a small part of my collection of autographs. The most of them are recognized, if you can recognize one of the unknown, please feel free to e-mail me.

Note: The pages are very graphic intensive, so I ask for a little patience while loading.

Chess Autographs collected by Laquer Sándor and Tassy József - Rochefort, Budapest - started 1917, but the first autograph is from the year 1921.

I got this autograph book from a collector in Hungary.

It contains an introduction of 12 pages and 38 pages with autographs, 9 world champions - Lasker, Capablanca, Aljechin, Euwe, Botwinik, Smyslov, Tal, Petrossian and Spassky, a total of more than 200 different autographs, most of them I can identify, some are unknown.

A specific of this booklet are the wonderful ink drawings of some of the chessplayers. It shows, that the collector also has been like an artist, sometimes a caricaturist.

Lieber Herr Ommersborn,

Locken hat Herr Sobieski angerufen und ich besiedle mich Ihnen mitzuteilen dass ich den Plan eines Wettkampfes zwischen Beckdorf und einem holländischen Klub aufgesetzt habe als ein zukunftsichtiges, regelmäßig wiederkehrendes Ereignis. Ich hatte den Eindruck, der erste Wettkampf solle in Holland im Herbst stattfinden, der zweite in Beckdorf im Frühling u. s. w.

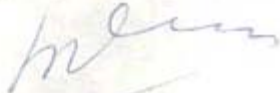

Jetzt sagt mir Herr Sobieski, der Wettkampf könne nicht nach dem 6. Juli stattfinden da bedeutende starke Spieler in die Ferien gehen. Ich verstehe dies. Es ist mir jedoch nicht möglich die Anglistenheit bei diesem Termin zu organisieren. Der Klub, mit dem ich in Unterhandlung stehe („Club Keewe“, Amsterdam) hat noch nicht entschieden.

Hoffentlich sind Ihre Spieler bereit den Kampf um einige Monate zu verschieben.

Mit herzlichen Grüßen

an Ihre Fr. Gemachtin von an Verne,

Dear Mr. Crisovan:

I was really impressed by your letter from Jan. 6 which arrived this morning. I really appreciate all the work and trouble you took on my behalf. I really appreciate it very much.

So far I have not received the Mueller -Katalog ~~you~~, but when I do I will write you more fully. In the mean-time I have to find out a few very important points. You see you went ahead and got a number of items that I have already, such as No. 306-314a inclusive, or 478 and 479, which by the way you sent me a long time ago.

Now what is the procedure, if I have a certain stamp or set? Can I return same to you and deduct from what I owe you. Also, in the future it would be best that I tell you, I want this or that and at what price I can get the item here, so that you can guide yourself accordingly.

A good example of that is the set of Historische Bilder 1941-1959 which I bought here for 2 to 4 US cents per stamp, the whole collection cost me about 36 U.S. cents.

Believe if you send your letters insured, it should arrive safely here.
Please answer this letter via Air, so that I can guide myself accordingly re returning some of the stamps mailed me, and forward you with my first check. Also in my next letter I will tell you which stamps of the list you sent me, I have already.
Looking forward to hearing from you.
With best wishes,

Sincerely yours,

George Koltanowski

Dear Mr. Surti,

Thank you for your kind invitation to attend the last days
of the Chess Festival.

At the moment it is very difficult to say for sure whether
I can come or not. Much depends on developments in the
Congress in Atlanta. However, I will let you know as soon
as possible.

With kind regards,

Sincerely yours,

'Olympics' of chess attracts world of players

By DONNA CALLEA
Staff Writer
donna.callea@news-jmi.com

DAYTONA BEACH SHORES — No one was doing flips on balance beams, attempting to set land or water speed records, or lifting anything heavier than a chess piece.

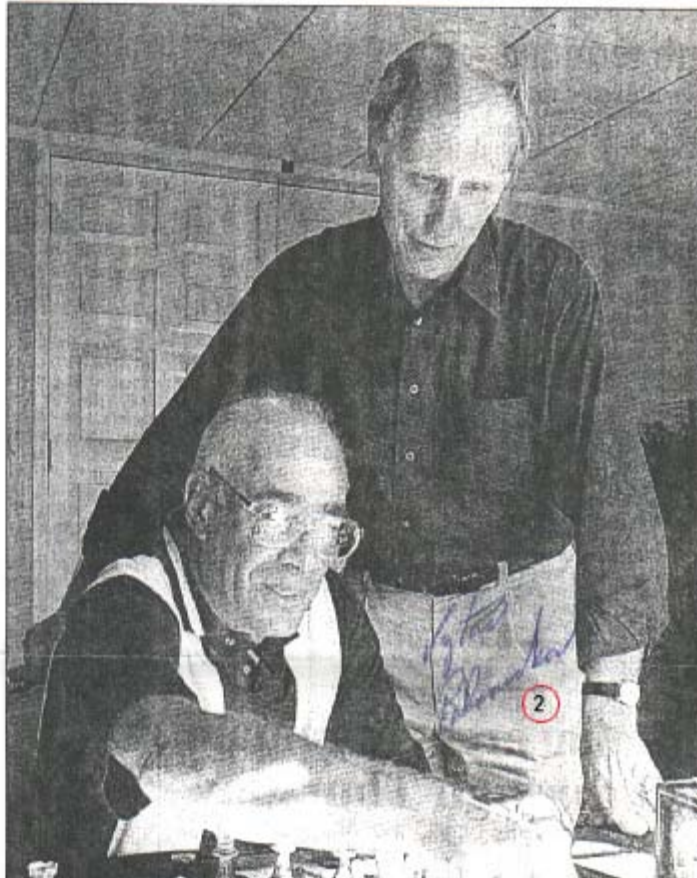

But it could be said that the 100 or so representatives from 21 countries across the globe who are gathered here this week for the 49th Congress of the International Correspondence Chess Federation are no less serious about their game than the Olympians competing in Sydney are about theirs.

In a way, it's "like the Olympics," chuckled Alan Rawlings, the organization's general secretary, during a break in the proceedings at the Hilton Daytona Beach Resort. After all, noted the official from Oxford, England, there's an unmistakable spirit of international competition and camaraderie — not to mention the fact that "the USA wants to beat the world" in an evening tournament that was scheduled just for fun after Monday's general business sessions, he quipped.

Chess is a "mind sport" that's enjoyed by people all over the world, said Rawlings. And for those who follow the correspondence version of the game — which, instead of face to face across a board, is played by people who may be oceans and continents apart via mail and e-mail — this week's international congress is clearly a big-time event.

It also marks the first time in history that the rule-refining and business-oriented congress is taking place on U.S. soil.

"We meet once a year," said Rawlings, and since 1951 the meetings have alternated
