Society Sales Service 161

The following stamps are from the **Richard Robertson collection**. In most cases, there are multiples of the stamps. Therefore, most stamps listed in CR#161 will remain available. MNH unless noted otherwise. When you order, I will select for you the best centered set available and so, the earliest orders will receive the best sets. Prices are a bit higher because these items are very well preserved. Check out your sets and see if you need upgrading! Please note that many items from previous SSS's remain available.

Please check with the editor regarding availability before ordering. Add \$2 (\$4 international) for shipping and handling on all orders. If paying with Paypal, please add 3% (domestic)/5% (international) to cover their fees. Scans available upon request.
